## President's Message

I hope everyone had a great Thanksgiving. We have so much to be thankful for in this great nation. Please note the new web address at the top of this Tidewater News.

Carolyn Beardshear has been working very hard with me to construct our new web site. Now Van will take over and continue the construction.

## **MEMBERSHIP NEWS**

**Currently we have 27 members who have renewed for 2017.**

The Urbanna Oyster Festival was a great success according to Norva's News . They had about 10 trailers in attendance. Our own Larry and Rhonda Evans also attended. They had a great location and price. If you like oysters you should consider attending next year. The date will be November 4th and we hope the price will be the same as this year - \$75.00 with no hook ups for Thursday through Sunday.

## **MEMBER SPOTLIGHT**

Herb Quade (3575) has been a member of our Unit for 38 years. This past summer he passed the 90 years YOUNG mark. His picture is on the inside back cover of the November Blue Beret Airstream magazine. Herb had cataract surgery in June, contacted an infection in the eye and temporarily lost his vision. A new doctor, lots of new drops and his vision has been restored - hurray!

### INTERVIEW WITH HERB:

How long have you owned an Airstream? Over 50 years. 1964 we bought our first, a "globetrotter". In 1981 we purchased our present 27' Airstream.

What is the best part of being an Airstreamer? The people / the company / the club / the caravans / the company you keep.

Why did you join the Airstream club? In 1964 we were transferred to Virginia ( Herb was in the Navy for 26 years ) and bought our first Airstream. The caravans were what convinced us. We caravanned to Mexico in 1977 with 165 trailers - it was great!

What is the most interesting place you have been? The South Western Caravan - all of the Indian ruins.

What was your favorite trip / rally? North Western Canada / We had a fantastic leader / a good leader really makes a trip.

What would you recommend to any Airstreamer? Do the South Western Caravan for your first caravan.

What are your hobbies or interest? Airstreams. I recently put on new axles and brakes.
