**It has been a privilege to be your President this past year. I thank all of you for your support. This will be my last "Tidewater News". I hope one of you will step up and keep it running. For the last year I have been neglecting our model garden railroad club (TBTO), so now it is time to get back to work (please come to our Holiday Train Show in December, this will be our 26th year). Also Bill and I have been putting off several long trips that we have been wanting to do. We will still stay involved with you and the Airstream club, just not so much hands on.**

**Again, thank you for letting me be me, Joyce.**
